

PASTEUR
FOUNDATION

CALL FOR APPLICANTS

POSTDOCTORAL FELLOWSHIPS
at the
INSTITUT PASTEUR IN PARIS, FRANCE

These three-year fellowship positions are open to U.S. citizens not currently in France wishing to work in the laboratories of the Institut Pasteur. Located in Paris and founded by Louis Pasteur in 1887, the Institut Pasteur is one of the world's leading private nonprofit centers for infectious disease research. With 2500 people of over 70 nationalities, its 130 research labs are devoted to the basic science of improving global public health. The first step is to identify a host lab; a complete list of laboratories may be found by visiting: www.pasteur.fr/recherche/unites-en.html. Fellowship packages are \$70,000 (stipends & bench fees) annually for three years.

APPLICATION GUIDELINES

Pasteur Foundation Postdoctoral Fellowship Program in Paris

In collaboration with the Institut Pasteur, the Pasteur Foundation administers this program to bring U.S. postdoctoral researchers to work in Pasteur laboratories in Paris thanks to the generosity of our U.S. donors. Guided by the institute's administration which seeks to develop international exchanges to ensure the vitality of Institut Pasteur labs, this program is for American citizens and does not apply to candidates already in France. Fellowships are \$70,000 (\$55,000 fellowship plus \$15,000 bench fees to support the research) per year for a term of three years and are not renewable. Financing for the second and third years is contingent upon positive annual review by the host lab head. Candidates are expected to commit to a three-year stay.

APPLICATION REQUIREMENTS

■ 1 COPY OF EACH OF THE FOLLOWING:

- ❖ A passport-size photo,
- ❖ Reprints of candidate's most significant publications (1 copy of each),
- ❖ 2 sealed letters of recommendation addressed directly to the Direction de l'Évaluation Scientifique,
- ❖ A letter of support justifying the project from the head of the Pasteur department to be sent directly to the Direction de l'Évaluation Scientifique.

■ 13 COPIES OF EACH OF THE FOLLOWING:

- ❖ A letter of request from the sponsoring head of the host laboratory or unit at the Institut Pasteur. **The first step is to identify a host laboratory head so that he or she may serve as your sponsor; a list of Institut Pasteur laboratories may be found at www.pasteur.fr/recherche/unites-en.html;**
- ❖ The host lab's organizational chart of current personnel;
- ❖ Candidate's Curriculum vitae (2 pages) with an indication of any current grants and/or funding (plus their origin and duration), and a list of publications;
- ❖ A synopsis of scientific accomplishments (3 pages);
- ❖ A brief description of the research program to be written by the candidate (3 pages), with emphasis on how this relates to the work-in-progress in the host unit or lab. The project must be described within the context of the actual international state of the subject (with three key bibliographic references), and must state the project's objectives, experimental strategy and feasibility; *
- ❖ Summary of the research program (15 to 20 lines + a title and 5 key words) placed in the context of international competition with the project's goals, experimental strategy and feasibility. **

■ PDF VERSION OF CANDIDATE'S CV, PROGRAM DESCRIPTION (*) AND SUMMARY () MUST ALSO BE EMAILED BY THE DEADLINE TO: bourses@pasteur.fr & PasteurUS@aol.com**

Complete applications must be received at the Institut Pasteur, attn: Secrétariat de la Direction de l'Évaluation Scientifique, 25 rue du Dr. Roux, 75724 Paris Cedex 15, France (Telephone for express mail: 01.45.68.81.39) **no later than application deadline (see website)**. Selection adheres to fellowship guidelines attributed by Institut Pasteur.
